The Genealogie of "Anderson Saunders" Esq. of Newtown Laundries, in the County of Micklon [Wicklow], originally descended and deriving his pedigree from Sir Harlowen who came into England in or about the year 1170 [1370?], and deriving his pedigree from Robert, Lord of Insprunck [Innsbruck] in Germany, who was second brother of Rudolph, Count of Hapsurge [Hapsburg], who became Emperor [1273-1291], whose successor became the Archdukes of Austria, Princes, Kings of many countries, as our ancient and authentic annals give an account. Transcripts of which have been carefully preserved and lineally transmitted to the ancestors of Charles Lynegar (alias) O.
